

PAY FOR DELIVERANCE?

May 12, 2023

I know all workers need to get paid, but pay close attention: I will not expel demons based on what people give in the offering. Do not tell the people that they will receive healing or be delivered if they give money. I, Yahweh, would come against you for lying about Me in My name. I heal who I want to, and salvation is freely given to all who repent.
